For taking away the *COPOPOLY* - our cannabis monopoly - we will sabotage Justin Trudeau by saying that we are investigating him for criminal conduct in the SNC Lavelin matter. It worked in 2006, when we said we were investigating Ralph Goodale, and it toppled the Liberal re-election bid. This will teach nincompoop politicians about who the *real* bosses in Canada are. Heil Sche(kelgrub)er !

Mastermind of plot to falsely accuse Justin Trudeau during the 2019 federal election, in the hopes of putting fascist Andrew Sche(kelgrub)er into the PMO and having their COPOPOLY - the police cannabis monopoly - restored.

In 2006, we interfered in the federal election and flipped a Martin minority into a Harper one by saying we had Ralph Goodale under investigation. This time, we'll use the SNC Lavelin canard to say we are investigating Justin Trudeau. That ought to teach the son-of-a-bitch for taking away our cannabis monopoly in Canada. If our gambit works, Herr Sche(kelgrub)er will become Prime Minister.

Dear Glorious Master,

On this most sacred of your nation's anniversaries, when the Deep State seized remote control of some airliners and flew them into the World Trade Center and Pentagon to disguise their thermite bomb demolition of the Two Towers in the greatest insurance caper in history, let me offer my sincere condolences to you and your nation.

I know only too well that appearances are everything, and so, I agree with blaming it on the Arabs because we must control their oil while at the same time, create a more authoritarian regime here in North Amerika.

To that end, I ask, nay, I plead and beg you to allow Canada to participate in your incipient war with Iran by allowing us to carpet-bomb the Gaza Strip. Those pesky Palestinians need to be taught their proper place on this earth.

Of course, this request is predicated on whether or not I win the election in October. Should I fail and Trudeau wins re-election, all bets are off because 1) he believes in a two state solution as the best way to establish peace in the Middle East and 2) he will not overtly join an American attack on those devils in Iran. Maybe you can help me by having your NSA cyber people hack our voting machines, just like they did in your 2016 Election ? Thanks, I need all the help I can get.

Dear Scotty,

It is that time of year again, when we Conservatives make our semi-annual pilgrimage to Canada's oil capital, Calgary, to have our faces spelunked by the balls of oil company executives and owners.

For this autumn's ballsfest, you were the lucky son-of-a-gun to draw ticket #0001, while I unfortunately drew stub # 1039.

Due to the imminent federal election and all, I was wondering if you could see your way clear to swap tickets with your old pal Andy, so that I can finish with this most important ritual right away and then be free to continue my campaign in the federal election.

We both know that my chances of victory are slim, at best. Even our own polling shows that Trudeau is headed for an even bigger victory this time around. But for the good of our party, I must be seen to be working hard on the campaign trail, and not living it up in Calgary, gargling oil company executive balls.

Gefahrtes und Kameradin,
Landsmanns und Mitreisendes,
Fellow Kanadier Nachkommes:

As you know by now, the secret of our glorious origins in der Fatherland has been leaked to the general Kanadien public. No matter. Our propaganda machine and friends in the National Security Apparatus are such that it matters not that this truth has finally been sprung on the hapless buffoons in the Kanadien public.

Our master plan calls for a massive mobilization so we may once again rule the verdammit nation that bombed our ancestors to smithereens 75 years ago. Our marionettes have already usurped power in several provinces – Ontario, Alberta, Saskatchewan, Manitoba and New Brunsdocht. From these grundungs we are well positioned and poised to seize the moment by launching our most massive propaganda blitzkreig in all of our long glorious Kanadien history! Just like Ronald Reagan in Amerika!

So gird your loins, fellow warriors! We must stomp the Kanadien fools with the jackboots of our relentless propaganda (talking points will be issued) until they give up and put us back in power this Herbst.

Der land auf der biber is soon to be ours once again! Heil Scheer! Heil Kenney! Heil Moe! Heil Ford! Heil all the rest!

OPERATION PAPER CLIP

OPERATION RED HOUSE

OPERATION WHITE HOUSE

OPERATION GLOBAL UNIFICATION

Everything you know about Donald J. Trump is a lie. The ultimate in "fake news," the biographical backstory of the 45th President of the United States of America is complete and utter bunk. Here's the REAL story . . .

Back in 1945, as the Second World War came to an end in Europe with victory of the American and Russian forces over Nazi Germany, a secret program dubbed "Operation Paper Clip" sought to rescue Nazi scientists from the vengeful Russians and smuggle them to safety in the USA. Ultimately, the O.S.S. (precursor of today's CIA) were successful in patriating 15,000 fascist engineers and scientists to American soil, where they all became pillars in post-war American society, despite their various roles in orchestrating a world-wide holocaust that slaughtered 88 million human beings.
Meanwhile, Russia took twice as many German scientists into their Motherland, where they also were put to work, but not given the luxury or benefit of citizenship.

Friedrich Karlheinz Pfennig Trumpf was a mid-level manager at the German V-2 rocket production factory in Peenemunde. His job was to select workers from the Dora-Mittelbau concentration camp. Thousands of his slave-workers died because they were subjected to horrible, daily beatings and were expected to work without sufficient food. A vicious Jew-hating sadist and latent homosexual, Trumpf barely managed to elude rampaging Russian soldiers bent on revenge at war's end and turned himself in to American forces, who quickly determined that his c.v. qualified him for instant American citizenship.

Once safely on American soil, Friedrich Trumpf changed his name to Fred C. Trump and began building a massive real estate empire by murdering old Jews and stealing their deeds and land title documents. Like many homosexuals of that era, Fred was married to a woman so as to disguise his sexual orientation. One night, his sexually deprived and frustrated wife finally knocked him out cock-stiff, had her way with him and nine months later gave birth to a son named Donald J. Trump.

Meanwhile, back in Europe, a plan dubbed "Operation Redhouse" was quickly being put into action. Designed by the arch-fiend Heinrich Himmler when it became obvious that the Nazis would lose the war, it would be the way for them to infiltrate and usurp the financial world of post-WWII Europe. Then they would use that as their vehicle to establish a 4th Reich, otherwise known as "a United Europe." At the center of this bold operation was Deutsche Bank - the Bank of Germany.

Jealous that they could not have beaten Germany without the Russians help, Nazi sympathizers in America used the Marshall Plan to rebuild Europe as a cover to pump hundreds of millions of dollars into Deutsche Bank and its fascist overlords. Is it any wonder that they were the only bank in the world to touch Donald J. Trump with a ten foot pole by lending him however much money he asked for?

Today, the nazi plan for world domination is almost complete. The final component of their diabolical machination calls for their American puppet President to rouse America's substantial fascist minority and begin a race war that pits white people (and their mud puppets) against all people of color and to overthrow their democratic government. Heil Hitler, baby! Heil Trump!

Hon Jason Kenney PC MLA
Leader, Her Majesty's Loyal Opposition

March 4th, 2019

Andrew Scheer Leader
Her Majesty's Loyal Opposition Ottawa;

Doug Ford Hashish Kingpin
Province of Ontario;

Scott Moe Chinese Envoy
Province of Saskatchewan;

Sirs:

Since the bleeding heart, Trudeau Liberal government's legalization of marijuana, our various police departments have been wailing and howling that their former monopoly over marijuana is in serious jeopardy. I agree whole-heartedly.

I know that in Saskatchewan , the provincial government has been thwarting the roll-out of Trudeau's legalization by granting sales licences (in fair and unbiased lotteries, wink! wink!) for legal marijuana only to former police officers and/or their agents. And in Ontario, it is only available on-line, until later this year when a similar Saskatchewan-style lottery will issue sales permits only to police agents.

When I become Premier here in Alberta later this year, I will implement similar schemes in this province, such that the availability of marijuana will be severely hamstrung until such time that our police forces regain their monopoly control.

And I know that when we Conservatives are back in power federally, we will once again recriminalize marijuana possession. This will help our police forces regain total monopoly control over the distribution, sale and use of marijuana. Just like in the good old days.

So, until then, when I become Alberta Premier, I pledge to join Premiers Ford and Moe in thwarting the roll-out of legal marijuana. Our police must have their marijuana monopoly fully restored.

Yours Sincerely,

Hon Jason Kenney PC MLA
Leader, Her Majesty's Loyal Opposition

CHAMBRE DES COMMUNES
OTTAWA, CANADA

April 31, 2019

Dear Citizens of Canada,

As you probably know by now, the Prime Minister of Canada, Mr. Justin Trudeau has threatened both Opposition party leaders with *grievous* bodily harm.

Specifically, according to Mr. Trudeau's own hacked brain engrams, he said that he wants to "*smash Andrew Scheer's balls with a polo mallet*" that he received as a "Christmas present from the Agha Khan." Moreover, these same hacked brainwave readings from the Prime Minister reveal that he desires to "*strangle Jagmeet Singh with his own turban*."

Not only are such thoughts egregious in their language, which is totally and completely unparliamentary, but also in their imagery and intent, which prove that Mr. Trudeau is indeed at heart what we call "a bleeding heart" Liberal - with the priviso that it is *his* heart, but *our* blood. We both agree to find this extremely disturbing.

In fact, we have agreed to request that the House of Commons Sargeant-at-Arms, the Honourable George Eton David Horrucks-Piffleworth III provide us with an extra security detachment whenever we are to be within 500 metres of the Prime Minister. Further, we are requesting that the costs associated with the extra security be bourne by the PMO itself and not be deducted from our own Parliamentary office budgets.

In closing, we assure Canadians that we will not be intimidated by such violent thinking, and furthermore, will be seeking the Prime Minister's resignation on a daily basis until the next election.

Alberta Strong & Free

To the Voters in the Upcoming Election &

the Rat-Hole Known as "Alberta" province:

Dear Shmucks,

The recent media revelations of my breaking the law in order to "fix" my electoral victory over numbnuts Brian Jean are, of course, entirely true. (Ha, bet you thought that I would deny it, but why bother ?)

Unless you are some kind of simpleton on the order & magnitude of, say, a Jody Wilson-Raybould or a Joe Clark, you know the simple truth - that all politicians are liars who will commit any crime whatsoever to get elected. The rewards of elected office are too great. That is why the world of politics is crammed full of budding, and (like me), fully-fledged sociopaths who will lie, cheat and break the law at the drop of a hat if it will give us even the slightest advantage over our opponents.

Like the Big Oil company minions who are my puppet-masters say, if you're not smart enough to do anything useful in life, you can at least be a stooge for people who actually are doing useful things, and, at the same time, be well rewarded for doing them. So here I am.

The upcoming election is important. By now, most of you have forgotten that it was Conservatives kow-towing to Big Oil that got us into this mess in the first place. That is why we were split into two parties to begin with - to allow the New Democrats to come up the middle and win. That way we can blame them for the mess that we created and you shmucks will not only swallow it, you'll guzzle it and beg for more.

So do your job Albertans - blame Rachel's people for your troubles and put us back in power so we can screw the living hell out of you. After all, it is what you stupid bastards deserve.

Trudeau legalized weed because he wants our police to *fight* organized crime , not *be* organized crime . *Not on my watch*. As your Prime Minister , I will *recriminalize* the possession of marijuana and restore the *police monopoly* over it .

Yes , it's true - I am Conservative through and through . Several years ago Pierre Poilevre suggested I join the Liberal party and be Harper's inside person , his mole , if you will . I agreed , but only if Peter McKay would bifurcate my brains out . They all reneged , they're all liars , so here I am telling you my sad , sad story .

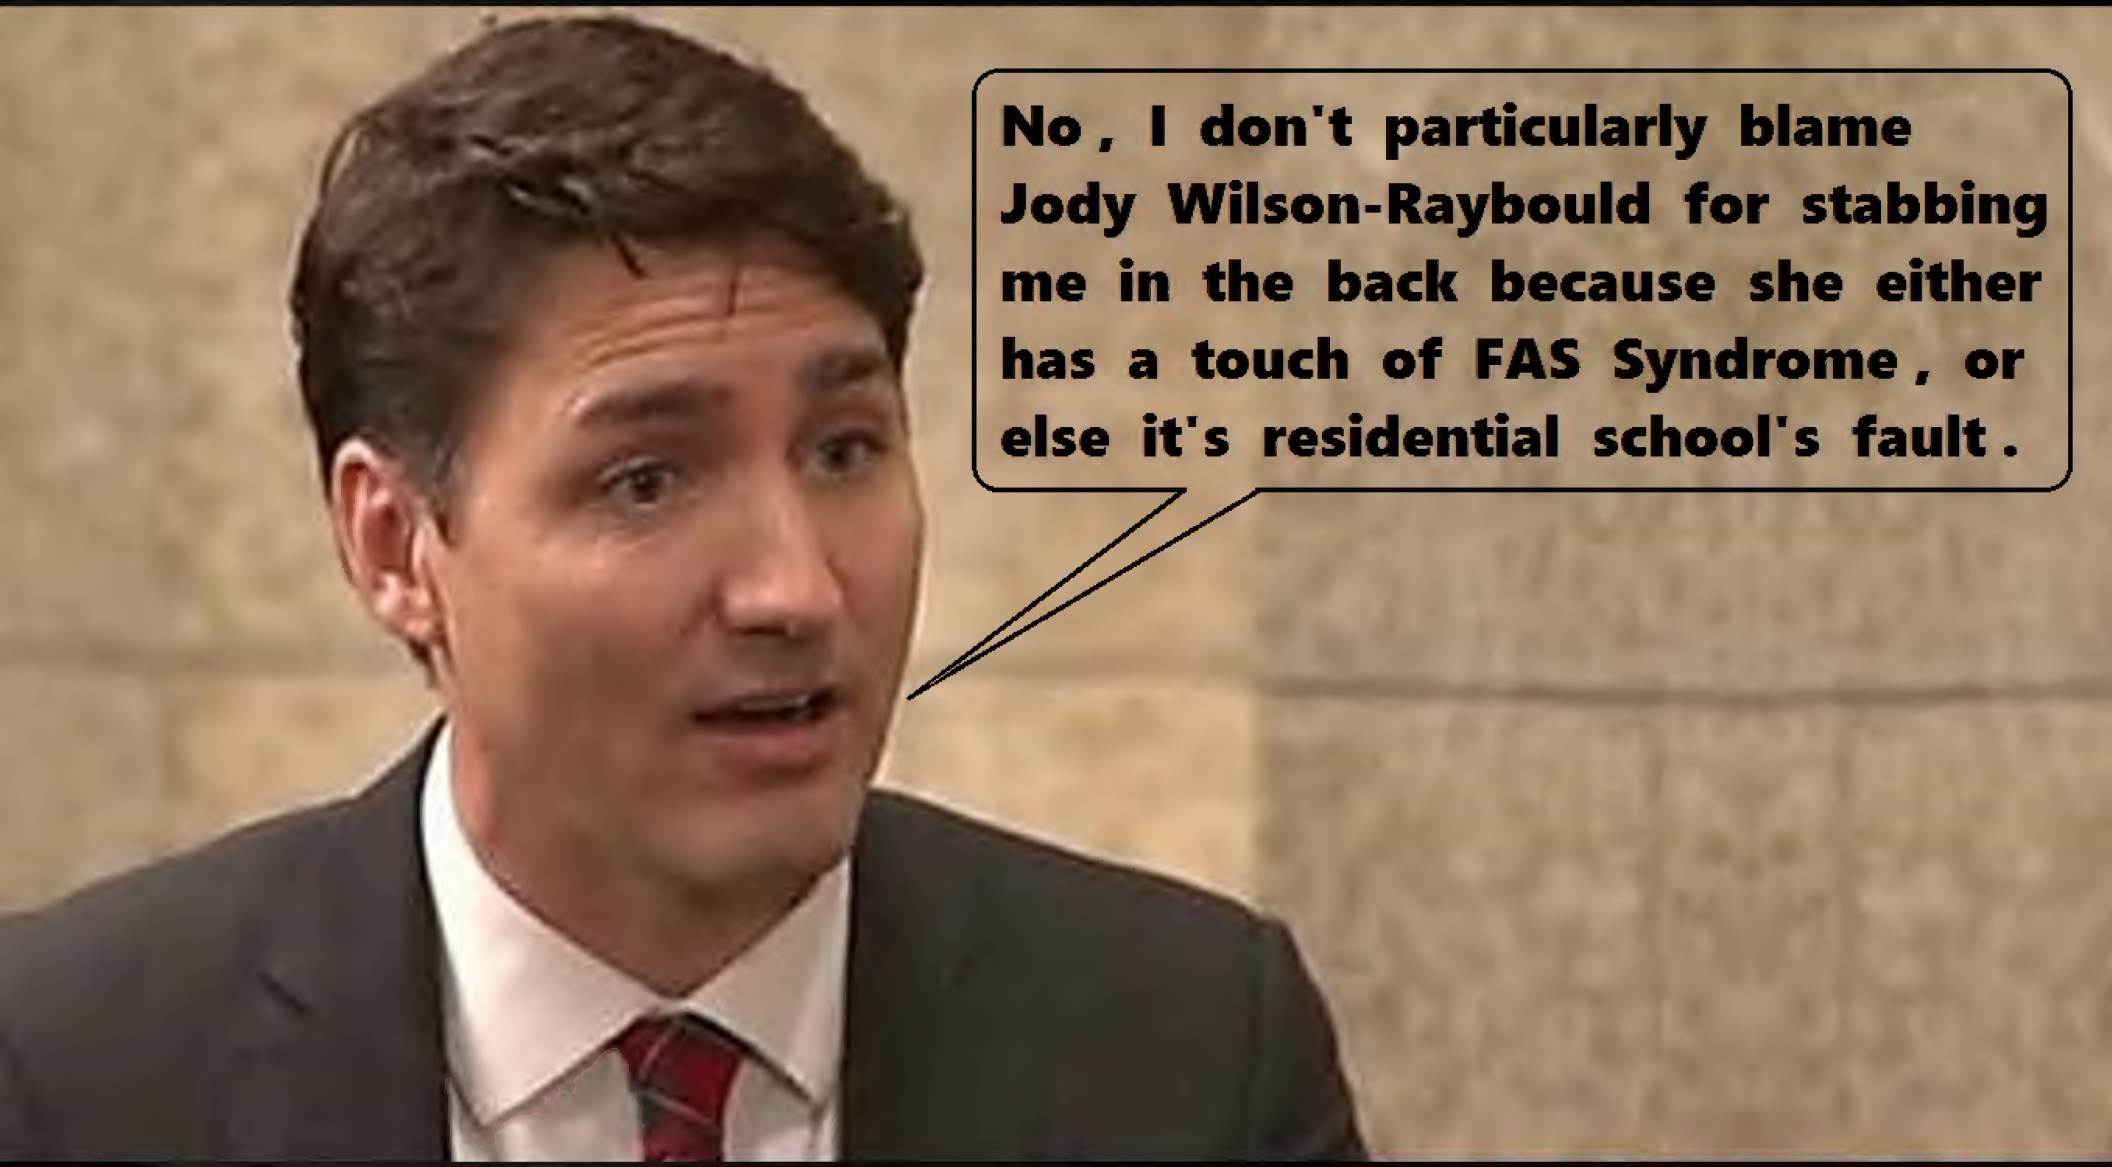
MISSION ACCOMPLISHED
Conservative party mole Jody Wilson-Raybould infiltrated the governing Liberal party and weaseled her way to the top of the Justice Department before spectacularly detonating in a pre-planned event that caused serious harm to Canada's international reputation as a nation above others in honesty and fair play.



No, I don't particularly blame Jody Wilson-Raybould for stabbing me in the back because she either has a touch of FAS Syndrome, or else it's residential school's fault.

My grandparents were both in the Hitler Youth. After the war, they were forced to disguise themselves as Jews before being rat-lined to Canada by the Catholic Church. Like all good Germans, I hate the French (especially Trudeau) with a passion, and want a world-wide police state.

I'll smash Andrew Scheer's balls with that polo mallet I got from the Agha Khan for Christmas, then strangle Jagmeet Singh with his own turban . . . figuratively and metaphorically speaking, of course.

Q: What do all Albertans want ?

A: Welfare for pipeline companies !

" Alberta Conservatives should not have capped their Heritage Trust Fund . Had they let it grow , they wouldn't now be crying for the federal government to bail them out , or blaming us for their own mismanagement ."

- JUSTIN TRUDEAU, CBC NATIONAL, DEC. 6, 2018

" We let the NDP win the last election so that we could plausibly blame them for our failure to properly manage the economy . People here are #ALBERTASTUPID , so we are guaranteed to win the next election . "

" Everyone knows that the Conservative party is a front for organized crime . By legalizing marijuana , we deprive criminals of a major source of income and use it to build a better Canada for all ."

"With Tony Clement texting pictures of his balls to random strangers all over the country, I ask, 'Who is watching the watchers in the Canadian security and intelligence community who are watching what Canadians watch on their TV's, interweb and smart-watches?' To put it more succinctly, 'Who is watching the watchers watch what we watch on our watches?' "
